

Terms and Conditions of Loan Application

1. The costs of transport of the equipment will be borne by the athlete being loaned the equipment
2. The athlete must provide their own insurance (domestically and internationally) for loaned equipment and provide MPA with a copy of insurance certificate
3. Any faults, damage or loss of the Equipment that occurs during the period of the loan must be fixed and paid for by the athlete being loaned the Equipment
4. Costs for Loss of the Equipment must be borne by the athlete, with MPA requiring the replacement cost of the Equipment within one month of the stated loss
5. The athlete being loaned the Equipment must house it in an appropriately secure place and must demonstrate that they have the relevant licenses
6. Athletes will only be able to loan the Equipment for 12 months. After this time the Equipment must be returned to MPA. It may be determined to leave the Equipment with an athlete for longer than 12 months but this is only by exception
7. Any athlete with loaned Equipment must make that Equipment available for others to use if requested at domestic and international competitions
8. MPA has the right to demand the return of the Equipment at anytime
9. After 6 months there will be a National "Check in" on loaned equipment
10. After 12 months of loan, an athlete will be expected to purchase their own pistol
